# SUBSTITUTES NEEDED

We are in need of substitute aides, food service workers, clerical, custodians, and teachers.

For Substitute Teachers, the Randolph School District is using Frontline Education, formerly Aesop, an automated service that simplifies and streamlines the process of finding and managing substitute jobs in our district for certified teacher and paraprofessional positions.

If interested visit our website under the District Tab, then Employment Opportunities for an application,

or call the district office at (920) 326-2427.

## FREE BREAKFAST FOR ALL STUDENTS, EVERY DAY!

Did you know that your school offers all students a free breakfast each day? Help make sure students are ready to learn by starting the day with school breakfast!

### WHY EAT SCHOOL BREAKFAST?

**Increased Productivity**

School breakfast is linked to better attendance rates, improved behavior, decreased tardiness and better memory and comprehension.

**Better Health**

School breakfast can help protect against obesity and other negative health outcomes. It can also stop hunger-related stomach aches and headaches.

**Easier Mornings**

Eating free school breakfast helps save money and gives families one less thing to worry about in the morning.

**Free for all students until December 22, 2020.**

**Give your child a healthy start!**

Mornings can be rushed, but it is important to make time for breakfast.

Children can benefit from the School Breakfast Program! Studies show that school breakfast can raise test scores while improving classroom attentiveness and behavior. Make sure your kids start the school day with a healthy meal!

Breakfast is served each school day at the Randolph School Cafeteria for all grade levels from 7:45-8:00 a.m.

Middle and High School students can use the Breakfast Cart located in the MS/HS Lobby to get a "grab and go" breakfast. Remember that the MS/HS students are able to eat their breakfast in their 1st-hour class at the beginning of the hour.

Randolph Elementary School Virtual Events - (Practicing Our Pivot)

Elementary teachers and students are practicing their pivot and being very creative in the process. On October 15, our kindergarteners were able to participate in the annual tradition of picking out pumpkins because staff, parents, and community members came together to bring the pumpkin patch to school for our little ones.

Fall Parent/Teacher Conferences were held virtually as well. While some families conferenced over Google Meet, others used Zoom or See Saw as platforms to connect teachers, students and parents. While we missed seeing families in our hallways and classrooms, we were glad to connect through technology. As always, please call or email the school if you have questions, concerns or feedback about your child's learning experience this year.

On Friday, October 30, the elementary students will be showing off their favorite school appropriate costumes while parading (physically distanced) through the hallways as we livestream the annual elementary costume parade starting at 1:15 p.m. Check the district Facebook page for a link to watch our students display their Halloween spirit.

Annually, on Veteran's Day, November 11, Randolph School District participates in a program honoring and remembering all military veterans who have served in the United States Armed Forces. This year, we are planning to create a virtual program honoring our veterans for their patriotism, love of country and willingness to serve and sacrifice for the common good. Check the district Facebook page on November 11 for a link to watch the 2020 version of Randolph School District's Veteran's Day Program.

In Partnership,

Christy Fay  
Elementary Principal and Special Education Director

## *Randolph Middle/High School - Mr. Andy Kohn*

Dear Rocket Families,

I am very proud of the Randolph School District staff, students, and community. Providing opportunities during this pandemic has been challenging, but we all continue to think outside the box to ensure our students get the most out of their education. Our students have been working hard on their academics as well as extracurriculars, both of which require us to look at alternative methods of delivery for success.

Here are a few highlights so far:

- We have been able to offer a visit from the National Guard which involved military vehicles set up in the grass area East of the parking lot.
- The Student Council coordinated a great homecoming week full of activities. You can still see these activities via the live stream on our website.
- The National Honor Society helped in providing a Community Blood Drive.
- Parent/Teacher Conferences were conducted by phone or zoom this year.
- The PSAT exam was completed off site for students who signed up.
- Youth Apprenticeship students continue to be able to work on their certifications.
- Safety Drills have been conducted as well.

We plan to offer a Veteran's Day Recognition video as well as a Holiday Concert Production.

Other Co-curricular opportunities are being organized as we recognize the importance of these in conjunction with learning, student growth and the school experience.

We are very fortunate to have such dedicated administration, staff, students, and community members working together to make this a great year in education, despite the challenges.

Great Challenge = Great Opportunity.

Thank you for your continued support!

Mr. Kohn  
Middle/High School Principal

# Community In-Person Spectator Guidelines - Winter Basketball

Please review the link for In-Person Spectator Guidelines and Expectations. The traffic/walking paths, seating capacity, seating locations, capacity for indoor events, required masks, and pricing. Below are a few example slides from the whole presentation.

## Spectators - Statement

With the COVID-19 numbers consistently trending upwards, the Randolph School District has decided to implement a new admittance policy to games for the Winter sports season.

Each player will be given the opportunity to purchase a **\$20 wristband** (Free for MS) for up to **as many individuals that are part of the nuclear/blended family (a couple and their children)**. The maximum amount that a family will incur, regardless of gender or activity level (MS, JV2, JV, & Varsity) will be **\$100**.

These wristbands will be creatively tailored to each respective program, which means that specific wristbands will only allow admission to the correlating games. The wristbands are easily removable which means they **CAN** be transferred between individuals. Once the wristbands are handed out, no more will be distributed.

Away fans will be allowed two (2) individuals per athlete, and their names will be crossed off upon entering our facility.

The following colors of the wristbands will represent the following programs:

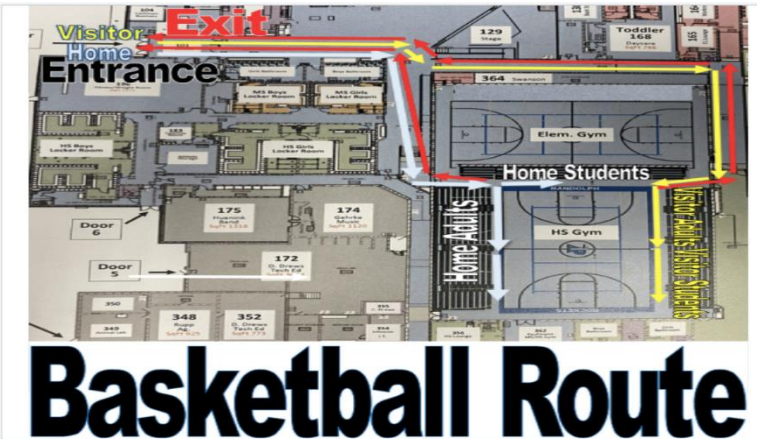

High School Boys Basketball (all levels): **Royal Blue**  
 High School Girls Basketball (all levels): **Neon Blue**  
 Middle School Boys Basketball (7/8): **Grey**  
 Middle School Girls Basketball (7/8): **Black**

Event workers, coaching staff and managers will not need a wristband to be admitted into the event.

	Home Adults - only with appropriate wristbands	Home High School Students	Home Middle School Students - no student section	Spectating Parents	Spectating Students
<b>MSBBB Grey</b> No Middle School student sections at this time	Yes	Yes - Accompanied by a parent, needs Grey wristband	Yes - Accompanied by a parent, needs Grey wristband	Yes (Maximum of 2 individuals per athlete, includes spectating students)	No - Alone Yes - Accompanied by a parent
<b>MSGBB Black</b> No Middle School student sections at this time	Yes	Yes - Accompanied by a parent, needs Black wristband	Yes - Accompanied by a parent, needs Black wristband	Yes (Maximum of 2 individuals per athlete, includes spectating students)	No - Alone Yes - Accompanied by a parent
<b>HSBBB Royal Blue</b>	Yes	Yes - Alone, no wristband needed	Yes - Accompanied by a parent, needs ROYAL BLUE wristband	Yes (Maximum of 2 individuals per athlete, includes spectating students)	No - Alone Yes - Accompanied by a parent
<b>HSGBB Neon Blue</b>	Yes	Yes - Alone, no wristband needed	Yes - Accompanied by a parent, needs NEON BLUE wristband	Yes (Maximum of 2 individuals per athlete, includes spectating students)	No - Alone Yes - Accompanied by a parent

## Spectators - Summary

- RSD will allow **Home Students**.
  - The home students may only attend games of which their respective classmates will be playing.
    - Example: Only home High School students may attend High School events.
  - **Home additional spectators** will be given admission based on the designation of their wristband.
  - **Away additional spectators** will be given admission by verbally claiming an athlete. Once two spectators are given admission for a single athlete, then our *ticket taker* will cross that athlete's name off the list.

# Basketball Route

### Pre-Game Expectations

- Pre-Screen for symptoms before leaving your home.
- Masks are required at all times.
- Sanitize upon entrance.
- No concessions will be offered.
- Follow movement routes to seating area.
- Find seating in designated areas.
- If sitting in general population area, sit as a family.
- A violation of the governor's mandate mask order would not bring any criminal penalties, but could result in a \$200 fine.

### During Game Expectations

- Masks stay on.
- Use bathroom only in an emergency-limited access.
- If you get up, follow travel route.

### Post-Game Expectations

- Community will be dismissed in an orderly fashion to avoid mass congregation.
- Do not leave your seat until dismissed - no pictures or congregation will be allowed on playing surface.
- Sanitize before leaving.
- Parents must return to their vehicles and wait for their child.
- Once you leave, no re-entry will be allowed.
- Masks can be removed upon departure.

## Live Stream Athletic Events

Randolph School District is excited to announce that we will be streaming athletic events for all of Rocket Nation. Event broadcast links can be found on our website anytime - located in the dropdown of the Activities tab, "Live Stream Events." The event links take you to YouTube RSD's Live page. With the reduction in seating capacity for spectators, everyone can still enjoy all the action. Feel free to subscribe to the RSD Live Page for notification when we go live. Go Rockets!

## 2<sup>nd</sup> Grade Art Class - Ms. Brianna Miller

"For their pattern unit in Art class, 2nd graders designed colorful hot air balloons. Anything that repeats itself is a pattern, and our hot air balloons are filled with repeating lines, shapes, colors, and even numbers and letters! Once the designs were completed, it was time to paint a beautiful sky for the balloons to fly in. To avoid sharing art supplies and germs in the art room, students have been learning new and creative ways to use basic materials. Did you know you can watercolor with washable markers? Every student had a different approach in their "painting" - some made small marks or fun new patterns before spreading the color across their page with a wet brush, while others filled the whole background with markers before blending it all together."

# School Year Calendar and Instructional Pivot

October 20, 2020

**Preface:** At the October 19, 2020 Board of Education meeting the Board discussed and approved the plan outlined below as a proactive measure in response to the COVID data in our buildings and county. This planning is subject to early implementation, full cancelation or general logistical changes.

**Objective:** To provide families advance notice on an extension of the Thanksgiving break week for ALL students and a pivot to virtual instruction in grades 6-12 from November 30 through December 22, 2020. Back to school learning in 2021 will be determined over the Christmas break.

**Rationale:** Due to the exponential growth of COVID cases in Dodge County, and specifically, the Village of Randolph, the upcoming influenza season, and the fact that people will inevitably be gathering together for traditional WI holidays, such as the 10-day WI Gun Deer hunt, Thanksgiving, and Christmas, a pivot to virtual instruction is a prudent step in reducing the spread of viruses in our building and among our families, staff, and community.

## Current Planning as of October 20, 2020:

### I) Pivot to Virtual

- A) No 4K-12 student instruction on November 23 & 24 (extends Thanksgiving break two days) and instead use as in-service days for teachers to prepare for the after-break pivot.

### II) Grade Levels Pivoting

- A) **6-12 Grade Students** pivot to virtual instruction
  - 1) 6-12 grade students, in general, are recognized as mature enough and maintain the technological capacity to learn virtually without 1:1 support from home.
  - 2) Students will continue to receive letter grades whether in-person or virtual.
- B) **4K-5 Grade Students** attend in-person with the following considerations:
  - 1) Younger students have a greater need to learn in-person.
  - 2) **4K-5 virtual learning may commence at any time based on COVID statistics.**
  - 3) 4K-5 students being virtual would have a greater impact on family work schedules.

### III) Staffing

- A) All teachers will be available in the building during contracted time unless 4K-5 are virtual.
- B) With teachers in the building, students may make individual in-person or virtual appointments.
  - 1) Parents must screen children and provide the form prior to transportation or building entry.
- C) Support staff will be shifted to provide student support where needed.

### IV) Transportation

- A) Families with transportation needs should contact any Building Office. Administrative approval is necessary in most cases.
  - 1) Parents must [screen children and provide the form prior to transportation](https://docs.google.com/document/d/1loE7Uc66pNIQAdO9DJMz8nrgIDrh38cowGhNtNn_WsY/edit?usp=sharing), except for daily riders in grades 4K-5.
- B) An afterschool route may be adjusted or reduced to accommodate material delivery and special education transportation.

### V) Section 504s, and IEPs

- A) Students with disabilities, 504s, or other approved accommodations will be scheduled and transported once weekly or as needed to meet accommodational goals.
  - 1) Caseloads will be divided up among the days of the week and students are expected to attend in-person on their resource day(s) to fulfill their IEPs.
    - (a) Parents must [screen children and provide the form](https://docs.google.com/document/d/1loE7Uc66pNIQAdO9DJMz8nrgIDrh38cowGhNtNn_WsY/edit?usp=sharing) prior to transportation or building entry.
    - (b) Families with transportation needs should contact any Building Office. Administrative approval is required.

### VI) Food Service

- A) Meal Service will continue as it had with FREE bagged breakfasts and lunches being supplied for families that complete [the form](https://forms.gle/QrHRRXea5uvfmetU7).
  - 1) During this pivot, meal service delivery is optional for families that live beyond the 2-mile transportation radius on the virtual school days (as identified on the district calendar and below).
- B) Families that have opted-in to virtual instruction beyond this pivot will have meal service pick-up available again after the new year.

### VII) Athletics

- A) Athletics continue as they have under the following restrictions:
  - 1) See [Winter SPORTS Protocols](https://docs.google.com/presentation/d/1cJKDQoEr_-0WrgGJVS8AX60LnMxigwDydH3Wk0gCjsY/edit?usp=sharing)

### VIII) Mental Health

- A) School Counselors shift from guidance instruction to supporting the mental health of students in all virtual grade levels. While grades 4K-5 attend in-person, weekly guidance instruction will continue.

### IX) Visual Aides

- A) See Calendar, next page.

### Columbia County to Hold FREE COVID-19 Testing

Portage, WI - Columbia County Public Health has requested assistance from the Wisconsin National Guard to provide free COVID-19 testing. The National Guard will be providing drive-through COVID-19 nasal swab testing in Cambria every other Friday starting on October 23, 2020 between the hours of 8:30 am and 4:30 pm. Additional testing dates include November 6, 2020, November 20, 2020 and December 4, 2020. \*

This event will be held at the Cambria Fire Department located at 702 Elizabeth Street, Cambria. The free testing is open to the community and appointments are NOT necessary. In an effort to save time, we encourage online registration. If you do not register online, you will still be tested. Staff on site will assist in the registration process. Registration should be done sooner than 24 hours prior to the event at <https://register.covidconnect.wi.gov/en-US/>

Due to the unknown amount of interest, prepare for potential wait times. It is requested that vehicles form a line and stay in the mode of transportation at all times. No restroom facilities will be available on site, please plan accordingly.

The National Guard will be doing the testing, they will be in uniform and full personal protective equipment. Individuals will be contacted with their results within 3-7 business days. A reminder to continue using safe practices like washing your hands, staying home and social distancing. Please visit our website for further guidance and up to date information at: <https://www.co.columbia.wi.us/columbiacounty/hhs/HealthHumanService/PublicHealth/Coronavirus/tabid/9196/Default.aspx>

Columbia County Public Health understands this is not a central site for our county, but it allows access to needed testing to our residents on a consistent basis. We are continuing to work on identifying and securing additional testing sites in our county.

\* Please note these dates are subject to change based on needs identified by the COVID-19 Response Team as this response continues to evolve.
