Middle School - National Geographic Bee

Reagan Drews, an 8 th grade student at Randolph Middle School, recently won the school-level competition of the National Geographic Bee. The school-level bee, at which students answered oral questions on geography, was the first round in the annual National Geographic Bee. The Bee is sponsored by the National Geographic Society. After winning the school-level competition, Reagan completed a written test for state level competition. The results will be available in March.

Other students who made the school level finals were William Bakken, Karlee Baugher (2 nd Place) Garrett Deakin, Stephanie Hoekstra, Levi Kok, Ava Schmit, Payton Welch, Kadyn White (3 rd Place), and Ashtyn Wiersma.

Summer School 2020

Are you already looking forward to summer and planning for your children in grades 4K-5th? From June 15-26, 2020, from 8:00 a.m. to 12:00 p.m. we will be offering enrichment classes from cooking to basketball, or Legos to lifetime sports! There is something for everyone.

Jumpstart Summer School is August 3-14, 2020, from 8:00 a.m. to 12:00 p.m. where we will offer Jumpstart reading, writing and math for any interested families. This two-week session is designed to help students transition from summer back into the routines of school. By taking this course, students can minimize the loss of reading, writing, and math skills that happen during the summer months.

Look for the Summer School booklet which will come home with students in mid-March.

School Nurse News - Flu Season

Parents/Guardians,

Randolph School District encourages regular school attendance for all students and recognizes that unnecessary absences have a negative effect on school performance and academic success. However, to stop the spread of germs and illnesses it is important to keep your child home when they do not feel well. Currently, Randolph School District is seeing a high number of illnesses going around, including influenza. We need your help to prevent the spread of germs!

PLEASE:

1. Keep your child home from school if they are not feeling well.
2. Keep your child home until they have been free of vomiting and/or diarrhea for 24 hours and until he/she can keep fluids and food down.
3. Keep your child home if they have an oral fever of 100 degrees or higher. They should remain home until they are fever-free for 24 hours without the help of fever-reducing medications.
4. Keep your child home if they have a constant cough, runny nose with green or yellow discharge, fatigue, and body aches.
5. **HANDWASHING!** Proper handwashing is the single most important method of preventing the spread of illness. Be sure all family members get into the habit of washing their hands with soap and water regularly, especially after using the bathroom and before/after eating. Remind your child(ren) to scrub their hands (front, back, thumbs, and under their fingernails) for 20 sec with soap before rinsing away with water!
6. Illnesses resolve much more quickly when students stay home when ill and adequate rest and fluids are provided.
7. For a more complete list of when students should stay home from school, please visit the Randolph School Website health tab and click on "Guidelines for Keeping Sick Children Home".

CORONAVIRUS

I would also like to take this opportunity to mention the controversial Coronavirus. Although one case of 2019-nCov has been detected in Wisconsin, the immediate health risk to the general public in Wisconsin, and the U.S. as a whole, remains low. Click [here](#) to view the states and number of outbreaks in the US. The public should continue to use preventive measures for the common cold and flu. To stay healthy, wash your hands often, cover coughs and sneezes, and stay home when you are sick.

Please contact me with further questions or concerns.

Thank you for your help in keeping our students and school a healthy learning environment!

Sincerely,

Katie Breitlow, RN

Pillow Cases for Children

Students in Mrs. Dykstra's FCS classes have been helping the Randolph High School FCCLA chapter sew pillowcases for hospitalized children. They will be sewing pillowcases after school on Thursday, February 27 from 3:30 to 5:30. Sewing machines and pre-cut pillowcases will be available. Donations of home-made pillowcases or cotton fabric for pillowcases can be brought to the high school office from 9:00 am - 2:30 pm Monday through Friday.

FCCLA Helps Teachers Prepare For Emergencies

The RHS Family Career and Community Leaders of America learned of a concern for teachers being able to carry all needed items for emergency situations. President of the chapter, Olivia Swain, spearheaded the project by applying for a grant from the Wisconsin FCCLA Foundation to purchase backpacks and additional supplies for each teacher. Teachers were surveyed for their desired materials for each grade level.

Backpacks were given to the Randolph Elementary teachers on February 12th with the middle school and high school teachers receiving their backpacks on February 26th. The chapter also reached out to the Christian schools in Randolph and will be delivering the same backpacks to the Faith Christian school on February 27th fulfilling their request and interest in the gesture.

Pictured is the Randolph Elementary Teachers and Principal with their "Go Kit" Emergency Back Packs.

Family Career & Community Leaders of America Regional Competition

Seventeen RHS students competed in the Region 6 FCCLA Regional Competition on February 14th held at Oregon High School in Oregon, Wisconsin. Students competed in the following STAR Events: Chapter Service Project Display, Children's Literature, Early Childhood Education, Food Innovations, National Programs in Action – Community Service, and Repurpose and Redesign.

Silver Awards: Chapter Service Project Display: Savanna Duckett, Isabelle Nieman, & Carmella Stone; National Programs in Action – Community Service: Olivia Swain; Children's Literature: Jazsmin Compean, Food Innovations: Level II Brandi Fuller & Carizma Muth and Hailey Deakin, Emma Lenz, and Gabriel Stephen; Level III Madalyn Duckett, Summer Feil & Emily Gutierrez.

Bronze Awards: Early Childhood Education: Stephany Gonzalez; Food Innovations: Level III Raina Hart & Jaiden Moldenhauer; and Repurpose Redesign: Faith Eckert.

State Qualifiers: Jazsmin Compean – Children's Literature; Olivia Swain – National Programs in Action; and Brandi Fuller & Carizma Muth – Level II Food Innovations. Also attending state will be Regional Representatives Emma Lenz and Carmella Stone. Good Luck at State on April 6th and 7th!

Carter Beaulieu
2019-2020 RCF FFA President

Hello everyone! I hope you had a splendid holiday spend with family and friends! Although it was the festive time of the year, our FFA Chapter continued to work hard. In this update I talk about State Degree applications, SAE Grant applications, and the fruit sale. Our fruit sale hit a record high in sales, reaching \$37,629! The winners of National SAE and State SAE Grants were announced in December, and checks were written in January (more information given later in this update). I want to congratulate all winners of this year's National and State SAE Grant.

In other news, myself and other RCF FFA Officers and Members took several photos with donors for grants won to be used at the land lab for next year's crop, equipment, and necessities. We have received grants from Beaver Dam Hospital, Whole Kids Foundations, and Alliant Energy. Mr. Gundlach and I will be completing three more grant applications by March.

By the time my next update comes out, you will be getting a copy of the FFA Week Newsletter. Please enjoy reading this annual newsletter published by our FFA Chapter. The annual FFA Banquet will also be held; the date is set for 7:00 PM March 30th. It is earlier in the calendar this year, but we still hope to see you there.

Best,
Carter Beaulieu, RCF FFA President

ANNOUNCEMENT

I would like to apologize for the delay in this update. In the course of creating this document on Mr. Gundlach's computer, it had crashed. He had to get a new computer and an extensive amount of information was lost from his old one. We are currently in a transition period. Thank you for your patience!

ALLIANT ENERGY GRANT

RCF FFA President Carter Beaulieu and Alliant Energy representative Waunell Trepanier-Friese

The RCF FFA received a grant from Alliant Energy for \$1,200 this past November with the amount designated for our Land Laboratory Food Bank Project. The grant will go toward expansion of the land laboratory so more produce can be grown and donated to four area food banks within fifteen miles of Randolph. Alliant Energy, through its foundation, has supported this project several times over the last six years.

BDCH GRANT

Zach Cupery and Carter Beaulieu accept congratulations from Beaver Dam Community Hospital Foundation Board members

The BDCH Foundation again presented the RCF FFA with a \$250 grant for our Eugene Jenkins Memorial Land Laboratory Food Bank project. FFA members raised and donated over 3,500 pounds of fresh produce for four area Food Banks. A wet fall hindered the harvest somewhat but we will expand again this year.

The BDCH Foundation has been an annual supporter for the past several years and their support has made a difference in this program and contributed to its annual expansion.

WHOLE KIDS FOUNDATION BEE GRANT

Carter Beaulieu

The RCF FFA was announced as the winner of a \$1500 Whole Kids Foundation Bee Grant from Texas this past December. The grant is to be used for maintenance and expansion of our twelve-hive apiary at the land laboratory. We remain as the Wisconsin's "BEE" FFA and have had nine students involved in raising bees and processing honey over the last several years. The bee SAE's began when Mitchell Miller and Austin Syvertson won National SAE Grants of \$1,000 each for raising bees.

AET GRANT

Carter Beaulieu – Zach Cupery

The RCF FFA was awarded \$3,000 by Agriculture Experience Tracker (AET) as a result of the National SAE Grant results. Dr. Roger Hanagriff (AET CEO) wishes the money to be used in SAE development and we will do so at the Land Laboratory where 7 students are involved in 9 SAE areas. These SAE areas are Landscape, Nursery, Turf Grass Mgt, Fruit Production, Vegetable Production, Diversified Horticulture, Specialty Animal Production, Agriculture Processing, and Forestry. Dr. Hanagriff was Sir's mentor when AET started.

RANDOLPH SCHOOL DISTRICT

We can make a difference in your child's education, and we are delighted that you are considering Randolph School District for your family's education. We understand the greatness of this decision for the most precious people in your life; your children.

Randolph prides itself in providing a high-quality education and co-curricular programming for children in grade PK-12. From our high scores on the Wisconsin School Report Card to our continued successes in State and National FFA to our history of athletic excellence, all speak volumes about the pride and culture of our school district and community.

Our Wisconsin School Report Card score has consistently placed us as one of the top-performing school districts in the area. The Randolph students, staff, and administrative team have worked very hard to "exceed expectations" in post-secondary readiness, closing achievement gaps, and district growth. Call now for a tour to come see for yourself!

"We started the school year with some apprehension about our transition from a small, private school into Randolph Schools. The staff of Randolph School District has surpassed our expectations and welcomed us as part of the community. They have been very responsive to our needs as a new family, and have demonstrated their commitment to education. Our children have adjusted well and are engaged in their education. We are very pleased with our transition." ~ PARENTS OF RECENTLY ENROLLED STUDENTS
