## From the desk of Mr. Zacho

*It's a great day to be a Rocket!*

Randolph students and staff have worked enthusiastically throughout the first semester of the school year. It's hard to believe that we are in the second quarter of school already and the holidays are fast approaching. It is that time of year to share a little information on what this year's State Report Card looks like.

Years back the legislation influenced how components of the report cards were weighed and how growth was measured for all school districts. As the Randolph School District focuses on helping all students achieve and maximize their full potential, the School Report Card is one source used to reflect on strengths and areas for improvement.

As part of the state accountability system, the Department of Public Instruction (DPI) produces report cards for every publicly funded school and district in Wisconsin. These Accountability Report Cards include data on multiple indicators for multiple years across four Priority Areas (Student Achievement, Growth, Closing Gaps, and On-track and Post-secondary Success). In addition, given the impact on student success, the Accountability Report Cards also measure chronic absenteeism and dropout rates. A school or district's Overall Accountability Score places the school/district into one of five Overall Accountability Ratings:

The current School and District Report Cards are based on performance data from the two prior school years. Scores are assessed these priority areas:

1. Achievement and Growth require two years of data (2022-23 and 2021-22 required) and may use up to three years of data (including 2020-21).
2. The graduation, attendance, and absenteeism components in On-Track to Graduation use lagged data (from 2021-22) and absenteeism scores may use up to three years of data (including 2020-21 and 2019-20).
3. Target Group Outcomes follows the same rules as the Achievement, Growth, and On-Track to Graduation priority areas including lagged data as well as multiple years of data.

I have attached the District Report Card and what to look for. We use this data, but we have to be mindful that this is just one data point and we don't put all of our marbles in this one basket. We do know that this is the most used score that represents us in the public eye. Overall, the data trend that we have is going in the correct direction. Here at Randolph we are striving to make our district a better district each day we are here. Although we are heading in the right direction, we are not where we want to be, yet. However, having higher report cards from the year prior is an excellent trend that we will work hard to continue in the future. As always, our doors are open for public input and ideas to help improve our district. If you have any questions please feel free to call, email, or stop in to see me.

# Happy Holidays from Randolph Middle and High School!

Dear Randolph Families and Community,

I trust this message finds you well. As we navigate through the academic year, I wanted to take a moment to express my gratitude and appreciation for the outstanding efforts of both our dedicated staff and supportive parents.

I am thrilled to witness the progress we have achieved together in pursuit of our school goals. The commitment demonstrated by our staff and the unwavering support from our parents have been instrumental in creating an environment where our students can thrive academically, socially, and emotionally.

Our educators and support staff have been working diligently to create engaging and effective learning experiences, with specific emphasis on literacy, for our students. Their dedication to fostering a positive and inclusive atmosphere is evident in the strides our school has made in various academic and extracurricular areas.

While we celebrate our successes, we acknowledge that there is always room for growth and improvement. Together, as a united school community, we will continue to strive for excellence and provide the best possible education for our students.

Next month is the time in the school year when we start planning forward for the upcoming year. Our 9th-11th grade students will be working to create their 2024-2025 schedules in the next few months, which provides a great time to talk with your student about the importance of aligning their schedule to their goals beyond RHS. High school is the time for students to explore their interests and their options. Details about all of our courses can be found in our Course Description Handbook.

Though seniors will not be creating their schedules for next year, there will be a lot of information shared in the next few months to ensure seniors have what they need to be college and career ready.

Wishing you all a happy and healthy holiday season!

Mrs. Jen Kurtz

## Randolph Elementary Families-

I hope your family had a warm and wonderful Thanksgiving. With the holidays around the corner, students are busy practicing for the upcoming concert. The Annual Randolph Elementary Music Concert will take place on December 14th. Two performances will take place - 2:15 p.m. and 6:30 p.m. to showcase our students' talents. Thank you goes out to Ms. Gehrke, Mr. Huenink, and the classroom teachers for their work in preparing the students for this wonderful tradition.

While snow comes and goes throughout the winter, the temperature certainly is falling. Students are expected to wear coats, hats and mittens (boots and snow pants when appropriate) before school and during recesses. While some of our students would like us to believe that two sweatshirts equals a coat, please send coats with your student.. There are a few coats in the office for students to borrow if they forget theirs at home.

We value our partnership with families in service to our students. As always, please call or email the school if you have questions, concerns or feedback about your child's learning experience this school year.

Regards,  
Christy Fay  
Elementary Principal

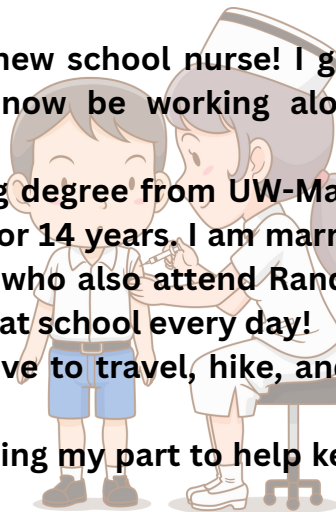

Hello!

I am Kim Biel, the new school nurse! I grew up in Randolph and feel very fortunate to now be working alongside some of my former teachers!

I earned my nursing degree from UW-Madison and worked at SSM-St Mary's in Madison for 14 years. I am married to my husband Mike, and we have 3 children who also attend Randolph. They are so excited to be able to see mom at school every day!

In my free time I love to travel, hike, and spend time with my family and friends.

I look forward to doing my part to help keep the students in Randolph happy and healthy!

# WHEN IS SICK TOO SICK FOR SCHOOL?

## Send me to school if...

I have a runny nose (clear discharge) or just a little cough, but no other symptoms.

I haven't taken any fever reducing medicine for 24 hours, and I haven't had a fever during that time.

I haven't thrown up or had any diarrhea for 24 hours and didn't need medicine.

## Keep me at home if...

I have a temperature higher than 100 degrees.

I have been throwing up or have had diarrhea in the last 24 hours.

My eyes are red and painful with discharge that keeps coming back during the day.

I have been having body aches, fatigue or frequent headaches.  
I have a runny nose that has yellow or green discharge and a fever.

I have a sore throat with a fever.

I have an undiagnosed rash.

## Call the doctor if...

I have a temperature higher than 100 degrees for more than two days.

I have had a sore throat and fever for several days. I've been throwing up or have diarrhea for more than two days.

I've had a cough for more than a week, and it isn't getting better.

I have had a fever and now have a rash.

## Tips to Stay Healthy During Cold and Flu Season:

1. Wash your hands
2. Avoid touching your eyes, nose, or mouth
3. Cover your mouth and nose with a tissue when coughing or sneezing
4. Stay home when you are sick
5. Clean and disinfect high-touch surfaces
6. Get enough sleep and physical activity, eat a well balanced diet, and drink plenty of fluids
7. Get a flu shot

# Christmas is coming!

**Did you know that you can purchase gift cards from the Randolph PTO???**

Through our RaiseRight program, we sell gift cards at face value, and the companies give us a percentage of money on EVERY single gift card sold!!!  
FREE MONEY for the PTO!

How would I do this, you ask??? It's super easy! You can order online (email [ptor@rsdwi.org](mailto:ptor@rsdwi.org) for instructions), or you can buy from Mrs. Bahr who keeps a good stash on hand at all times. You can do that by emailing [bahrju@rsdwi.org](mailto:bahrju@rsdwi.org) and requesting your cards. She will let you know if they are available, at which time you can send a check (to Randolph PTO) with your student, and your student will bring the gift cards home.

We have gift cards available for gas stations, grocery stores, Amazon, Culvers, T's, and much more. Buy cards for your own personal use or for gifting purposes! Please join us in this EASY fundraising opportunity!

**\*\*\*\*Many \$5 and \$10 cards will be available for the holidays\*\*\*\***

**The Junior class (Class of 2025) went to the Wisconsin Education Fair at UW-Oshkosh. After the education fair we received a UWO campus tour.**

# Randolph School District

## FREE Preschool Screening

### Friday, February 2<sup>nd</sup>

Child development screening is **FREE** for all preschool children who will turn **3** or **4** on or before **September 1, 2024**.

Children must live in the Randolph School District.

Screening will help

- Identify health related problems and/or developmental delays that could interfere with success in school.
- Provide you with information & materials to support your child's health, learning, growth and development.
- Help parents develop an awareness of community-based resources and services that are available.

Screening is done by early education professionals and provides parents with immediate feedback regarding their child's development.

This screening helps to determine if further assessment is needed for your child.

If your child turns **4** on or before **September 1, 2024**, you will be sent a notice *(in December)* with a scheduled appointment time.

*If your child will be 4 years old on or before September 1, 2024 and you do not receive a notice in December, please see contact information below.*

If your child turns **3** on or before **September 1, 2024**, please contact the office *(in December)* to set up an appointment time.

Vision and hearing screens will be done at the beginning of the 2024–2025 school year.

# PETER AND THE STARCATCHER

The Randolph Theatre Department will be presenting Peter and the Starcatcher on Friday February 16th and Saturday, February 17th. The show is a prequel to Peter Pan, showing how The Boy That Never Grows Up came to Neverland in the first place. The show will take place in the Randolph Cafeteria at 7:00pm on both nights. Mark your calendars now for an exciting show!

ANOTHER SUCCESSFUL

## BOOK FAIR

The Middle School Student Council organized and ran the Fall Book Fair from November 9 to November 16. Student Council members were hard at work helping students find books that fit their interests, and selling books to students and their families. Every purchase at the fair earned Scholastic Dollars that were then used to purchase new books for our two school libraries.

# Badger Girls and Boys State Representatives

Two junior students are chosen "Who best exemplify these outstanding qualifications: leadership, character, interest in government and citizenship, and good health and physical fitness". Good students, particularly of civics, American history, etc., should be given special consideration. "Scholarship, while important, is not paramount." consideration should be given to a student that has a veteran in the family.

Delegates: Kaylee Baugher and Nicholas Medema  
Alternates: Tessa Sadoski and Jack Vredeveld

## **DAR AWARD**

Daughters of the American Revolution

**Congratulations to the winner of the DAR (National Society Daughters of the American Revolution) award, Reagan Drews! The DAR Good Citizens Award is awarded to a student based on Dependability, Service, Leadership, and Patriotism. Congratulations Reagan!**

## NATIONAL HONOR SOCIETY

**National Honor Society welcomed six new members this year: Karlee Baugher, Sarah Behm, Garrett Deakin, Gracyan Homan, Nicholas Katsma, and Faith Stiemsma. These members were inducted to the organization for their demonstration of scholarship, service, leadership, and character.**

## RANDOLPH ELEMENTARY STUDENTS OFFERING LOVE & VOLUNTEER EFFORTS

### RESOLVE 2023-24

#### R.E.S.O.L.V.E.:

- Is a volunteer event for K-5 RES students.
- Raises funds for non-profit causes, globally & locally.
- Is held annually with varying themes.
- Honors/Memorializes special people.
- Teaches students how to be volunteers.
- Teaches students the importance of philanthropy.
- Is a student opportunity for community service.
- Develops school & community pride!
- Is sponsored by the PTO.

This year, student volunteers (k-6) will “RESOLVE” to fight Alzheimer’s and other dementia. During the month of November, our elementary students focused on “giving & gratitude” and RESOLVE participation was an opportunity to practice those attributes. This year, we will fight for a cure for Alzheimer’s and other forms of dementia.

## ALZHEIMER’S ASSOCIATION®

It is the mission of the Alzheimer’s Association to lead the way to end Alzheimer’s and all other dementia - by accelerating global research, driving risk reduction and early detection, and maximizing quality care and support. They need our support! The number of Americans living with Alzheimer’s is growing fast. 1 in 3 seniors dies with Alzheimer’s or some other dementia.

Please join our fight... the first survivor of Alzheimer’s is out there!

After funding all event expenses, funds are disbursed as follows:

25% = global gift to a nonprofit organization

50% = local gift to a nonprofit organization

25% = PTO to continue supporting education at RSD

**R.E.S.O.L.V.E.** started in the 2018-19 school year and continues a great tradition of giving.

**2018-19**

Global = National Fallen Firefighters Foundation

Local = Randolph Fire Department

Dedication = Wayne & Linda Vanderploeg

**2019-20**

Global & Local = Patriot K9s of Wisconsin

**2020-21**

Global & Local = Fanconi Anemia Research Fund

Dedication = Brett & Michael Johnson

**2021-22**

Global and Local = Leukemia & Lymphoma Society

Dedication = Liam Sanborn

**2022-23**

Global and Local = Juvenile Diabetes Research Foundation

Dedication = Kiley Bryant & Caleb Lessor

With our years of RESOLVE participation, combined with 36 years of Jump Rope for Heart & Hoops for Heart, our students, community, and staff have raised over \$290,000! This year will mark 42 years of fundraising in service to others, saving lives, and making a difference in the world around us. Our annual fundraising goal is \$6,000 and students can earn some cool prizes for helping out. This year we have a chance to get over the \$300,000 mark for our history total.

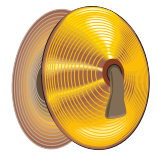

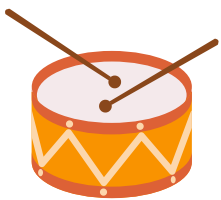

# Honors Band

Congratulations to the following Randolph High School Band members for being selected to the 2023 Trailways South Conference Honors Band. On Monday, Nov 13 they performed at the Heidel House in Green Lake with band students from Cambria-Friesland High School, Central Wisconsin Christian High School, Green Lake High School, Markesan High School, Montello High School, Oakfield High School, Princeton High School, and Wayland Academy. They worked hard all day and performed an awesome concert together.

Graycee Paul-Krahn, Sherlyn Abadio, Lauryn Huenink, Katelyn De Vries, Morgan DeJager, Alyssa De Vries, Kaylee Bates, Owen Summers, Brandon Alva-Fuertes, Garrett Deakin, Jacob Kile, Eli Herpel, Maston Treptow, Caleb Kok, Wesley Pigeon.

# Honors Choir

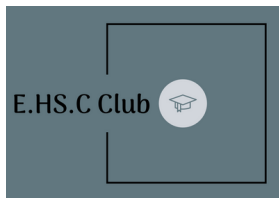

On Monday November 6th 10 students from our high school choir were invited to the Trailways North Honors Choir. Top level singers from various schools got together to make music all day at the Heidel House in Green Lake. It was a gorgeous day and the students learned a ton. The guest director said our students exhibited enthusiasm, commitment to excellence, and were a key part of the success of the honors choir. Students in attendance were William Bakken, Morgan DeJager, Deanna Feil, Keeley Folk, Sherlyn Gomez Perez, Payton Jarden, Caleb Kok, Emilyn Reyes, Katelyn Saeman, and Abram Stephen. Round of applause to these talented students! Way to go Rockets!

## 20 students attended the UW Madison Admissions Counselor Visit

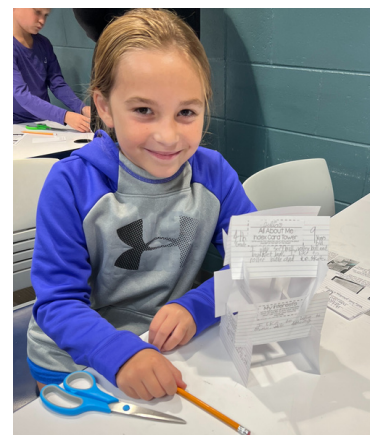

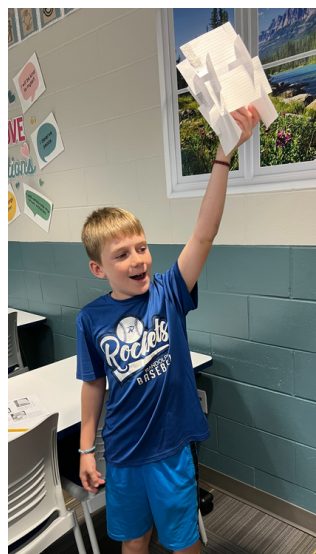

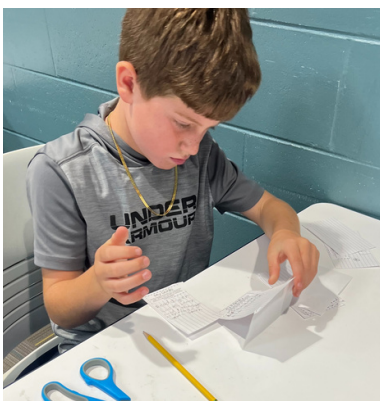

This year I am excited to announce the creation of the Education & Human Services Career (EHSC) Club! Mrs. Daugherty is the advisor, and the club is open to all high school students who are interested in learning more about the career fields education and human services. The purpose of our club is to organize trips for students to immerse themselves in the world of jobs in the educational field and human service industries. This year our club has 17 members! Our most recent trip was on 11/28, which was a tour of the Moraine Park Technical College Campus. After that, on 12/13, we will be taking a group to visit the Prairie Ridge Community Hospital in Columbus, where they can apply to job shadow in a specific area. If you have any questions about the club, please reach out to me at [DaughertyJ@rsdwi.org](mailto:DaughertyJ@rsdwi.org)

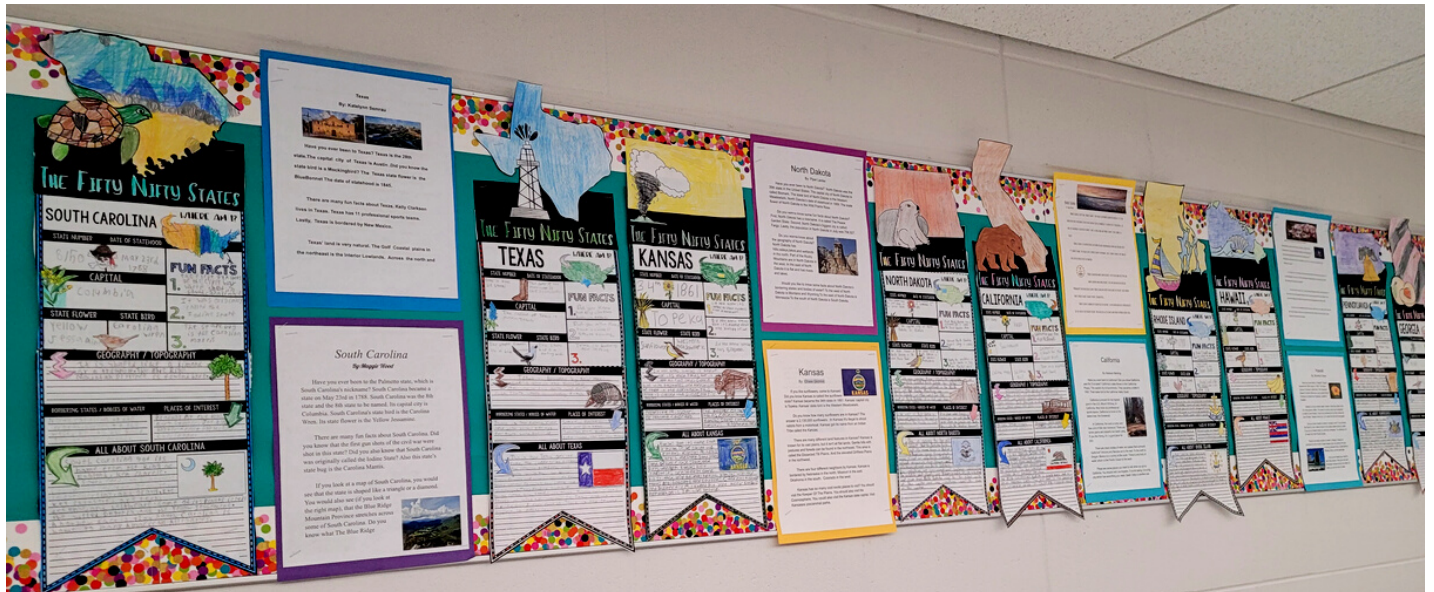

## Positive Behavioral Intervention and Supports

Each month PBIS focuses on a different behavior theme.

September's PBIS theme was Respect. In guidance class we focused on self respect.

The 4th graders spent their class time answering questions like career interest, cool things about them, and their family. This was an activity to build self-identity and help students understand the importance of respecting EVERYONE - including themselves.

# RESEARCH REPORT STEM

5th Graders have been working very hard the last few weeks on researching a state for an informational report. After researching and writing a report, students created a pennant that includes different text features. Our students have also been working hard on coding RVR Spheros during our STEM time. Students combined these two subject areas when they built a Thanksgiving Day Parade float for our parade down the hallway. The floats were handmade in groups to represent two to three different states. When students were asked what their favorite part of the project was, the answers included all parts of the project. From researching a state they did not know information about, to working with teams to build the float, and coding the RVR down the hallway, students were all able to learn new information and skills.
