TY BREITLOW

REGULAR SCHOOL BOARD MEETINGS ARE USUALLY HELD ON THE THIRD MONDAY OF THE MONTH IN THE MIDDLE SCHOOL/HIGH SCHOOL LIBRARY AT 6:30 PM. AGENDAS FOR THESE MEETINGS ARE POSTED AT THE RANDOLPH VILLAGE HALL, NATIONAL EXCHANGE BANK IN RANDOLPH, RANDOLPH HOMETOWN PHARMACY AND RANDOLPH SCHOOL DISTRICT OFFICE VESTIBULE.

School District News

-Mr. Ty Breitlow, District Administrator

Happy New Year Rocket Nation!

As we prepare to put 2021 in the past, we should have a sense of pride for all we have accomplished together over the last two years. For nearly two years, our young people have experienced unimaginable changes. Surrounding them with caring educators and social and emotional supports in safe and familiar school environments is a vital part of helping them through these challenging times. We remain committed to keeping our school doors open. We share incredible pride for having navigated last year's challenges together. We are not out of this yet, but the challenges we have overcome together demonstrate our resiliency and commitment to each other and our students. I thank all of you for your positive engagement throughout this time. Our collaboration and relationships remain one of this community's greatest strengths.

This past fall, as part of the State of Wisconsin public school accountability system, the Wisconsin Department of Public Instruction released the 2020-21 report cards for every public school in Wisconsin. The report cards offer measures and indicators that provide school districts insight into areas to celebrate and areas that need improvement. Schools are evaluated on four priority areas: student achievement in reading and mathematics on state-wide assessments; student growth in those assessed areas; the performance of each school's state-identified target group of students; and post-secondary readiness, which uses several measures as predictors of college and career readiness. Each district and school is given an overall accountability score and rating category. The Overall Accountability Score is calculated on a score of zero to 100. The rating categories range from "Fails to Meet Expectations" to the highest category, "Significantly Exceeds Expectations." Due to the pandemic and its effects, the Wisconsin Department of Public Instruction cautions comparing School Report Cards scores to past years and between districts.

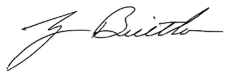

The Randolph School District is identified as "Meeting Expectations". Randolph Elementary School scored in the highest category, earning the distinction of "Exceeds Expectations." Randolph High School "Meets Expectations." There were no report cards last year as testing did not occur during the state-ordered shutdown of schools in the spring of 2020. Again, DPI has cautioned against comparing these scores to previous years because the school experiences, testing and other realities have been so diversified and unique over the past 18+ months. Moreover, we don't have other pandemics to compare outcomes to, but there is no doubt that during the pandemic, we had multiple disruptions and hurdles to overcome which proved to be challenging. Something to consider and understand is that many of our most vulnerable students may have been either online or more likely to experience gaps and challenges in their instruction experiences during a pandemic that are outside of the district's control. Local measures for the current year would suggest that we are off to a great start this year and seeing strong gains to start this school year.

(Continued on next page)

Looking forward to 2022, we will no doubt face new challenges and uncertainties that will require all of us to continue to do what is in the best interests of our youth. As you may or may not have heard, the topic of exploring consolidation has been received from the administration of Cambria-Friesland School District. So far, there is very little substance to the topic and no decisions have been made regarding it, but the Boards of Education from each respective school have agreed to meet jointly to discuss if there is support to enter into formal discussions. This joint meeting of the Boards of Education will be held on January 24 at 6:30 pm in the Cambria-Friesland Library and is open to the public. Again, the purpose of this meeting is to simply discuss and determine if consolidation should be explored. And, if so, what that process could look like. As progress continues, I will update you on action steps and discussion topics through this newsletter. But, as always, I am open to discussing any school topic with any of our constituents, so please reach out with your questions or comments.

I wish you all the blessings and excitement each new year brings. Thank you for allowing me to serve you, the District, and the greater Randolph Community.

Yours in Education,

Middle School / High School News

-Mr. Andy Kohn, Middle School / High School Principal

Dear Rocket Nation,

As we enter a new year, there are some exciting new opportunities that I'd like to share with you. First off, we have a new program called USATestPrep that is being utilized throughout grades 6-12. This program helps the teachers and students identify academic areas of strength and areas needing improvement, and assists in developing plans to address those needs. It is a great tool for everyone involved as we head toward our spring testing with the Forward, ACT Aspire, and ACT Exams.

With that being said, we are also offering practice ACT Days for our current Juniors, Seniors planning to retake the ACT, and potentially any interested Sophomores that want to learn more about the ACT exam. Please see the flier below.

Please mark your calendars!! Our 1st Semester Finals for all high school students are scheduled for January 12th, 13th, and 14th. Please plan accordingly.

Thank you for your continued support!

Andy Kohn

Regular Open Enrollment Application Period

for the 2022-2023 school year:
February 7, 2022 - April 29, 2022

For more information and to submit an application, visit:
<https://dpi.wi.gov/open-enrollment/applications>

ACT Prep Saturdays

January 22nd Science with Mr. Hildebrand and Mrs. Drews

January 29th Math with Mr. Nelson

February 12th English with Mrs. Salzmann

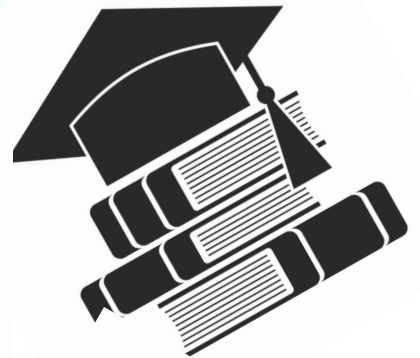

February 19th Writing with Mr. Plahuta

February 26th Reading with Mr. Iverson

Current Juniors are highly encouraged to take advantage of these opportunities in preparation for the ACT Exam being held on Tuesday, March 8th. Available seats will go to current seniors planning to retake the ACT. Any current Sophomores interested in attending will be added to a waiting list. Students will be asked to sign up in the office during the week leading up to each of the practice days. We will need a minimum of 5 students signed up to run the session. Students attending and actively participating for the entire 9-11 timeframe in at least 4 of the 5 sessions, will receive a field trip ticket to Mt. Olympus. An ACT Field Trip to Mt. Olympus will be held later in the spring for those earning tickets.

Saturdays from 9:00-11:00 a.m.

Held in the content teacher classroom

Elementary School News

-Ms. Christy Fay, Elementary Principal

We are extending families, staff and students a warm welcome back to school after winter break. I hope you and your family are entering 2022 wrapped in peace, love and joy. Our Christmas Concert was well attended and students loved singing and playing their instruments in front of a live audience. We are glad we were able to revive that tradition in December.

I'm looking out the window onto the snowy playground as I write this newsletter and am reminded that snow pants, boots, coats, hats and mittens become required attire for recess for the next several months. Students may borrow an occasional item from the office, but there is no guarantee we will have something that fits. We have items in "lost and found" that will be donated if not claimed. If your child is missing a clothing item, they may want to check the "lost and found" table in the cafeteria.

January also brings mid-year assessments. At semester, elementary students take a variety of assessments that give us information about which standards have been mastered and which skills still need to be taught. Additionally, students who qualify as English Language Learners will take the ACCESS Test of English Proficiency during the month of January. On February 22 fourth graders will be taking NAEP (National Assessment of Educational Progress). According to the NAEP website, "When students, their parents, teachers, and principals participate in NAEP – the largest nationally representative and continuing assessment of what America's students know and can do in various subject areas – they are helping to inform decisions about how to improve the education system in our country." Parents of fourth graders will receive more information about this assessment at the end of January.

In the meantime, we thank you for your continued support of the Randolph School District. If you have questions, concerns or feedback about your child's learning experience this school year, please reach out.

Regards,

Christy Fay
Elementary Principal

Winter Closings and Delays

For information regarding school delays and closures due to weather, please check the school website at www.rsdwi.org. Closures and delays are also posted on the school Facebook page and reported to the following TV and radio stations:

Radio Stations:

WXRO 95.3 FM
WBEV 1430 AM

Television Stations:

WMTV Channel 15
WKOW Channel 27
WISC Channel 3

Randolph School District personnel continuously reviews weather conditions to make the best decision based on numerous factors. A decision to hold, delay or close school is made as close to 5:30 a.m. as possible.

If a school delay is warranted, the school will begin two hours later than normal time and morning Pre-Kindergarten and Early Childhood classes will be cancelled. If school has begun and an early school closure is warranted, there will be no afternoon Pre-Kindergarten.

Parents and guardians will receive an email, call or text message through our Skylert automated messaging system notifying them of a school delay or cancellation. Then, this decision is communicated to local radio stations, TV stations and the Randolph School District website and Facebook page.

Winter Bussing Reminders

The Randolph School District asks that your children are properly dressed for cold weather when riding the bus. Although buses are heated, there is a possibility of exposure to adverse conditions if a bus experiences mechanical problems. Be advised that during foggy, icy or snowy days, buses may start five to ten minutes earlier to allow for safer travel.

In rare cases, three bus routes may run instead of four. In the event that three bus routes are being utilized, please be advised that there may be a change in pick-up or drop off times. We will inform you by the Randolph School District Facebook page. Please know that the safety of our students is of utmost priority when making these choices.

If your student will not be riding in the morning, please text your bus driver or call the transportation line at 920-326-2427 (option 5) to let us know. This helps to prepare our drivers for their morning bus routes. Thank you for your help!

Ms. Maddie's Counseling Minutes

-Maddie Schulz, School Counselor

This past month, elementary students' PBIS word was **responsibility**. More specifically, they discussed how certain skills lead them to becoming responsible learners in the classroom. Those skills were listening, focusing attention, being assertive, and using self talk. Kindergarteners had to listen carefully and focus during storytime in order to not miss any of the silly words in Double Trouble in Walla Walla. First grade classes made listening ear headbands, as well as brainstormed strategies they can use when there are distractions in the classroom. Second graders learned the differences between aggressive monsters, passive mice, and the assertive "me", and talked about why being assertive helps you get what you need during the school day. Third graders listened to a book full of characters with different focus problems, problem solved for these characters, and then reflected on a focus problem they want to improve. Fourth grade practiced their listening skills while building play doh sculptures with a partner, and additionally thought about how having a growth mindset can help them overcome learning barriers. Fifth graders worked on their focus while participating in brain game rotations, and made posters that showed their comparisons of aggressive, passive, and assertive behaviors.

Elementary classes will be completing their **personal safety** units in January. Kindergarten and new students will be meeting Charlie Check-First for the first time! Please be on the lookout for safety handouts that will be sent home with your students. They will include important safety tips that we will cover in class and contact information children should be aware of too.

Sixth graders finished their Problem Solving Unit this month, and took time to understand the action steps of analyzing the problem, brainstorming options, considering each option, and deciding and doing the best option. On their Xello portfolio, they finished a lesson that explored how their school subjects relate to a variety of future career options. Additionally, they thought more in depth about how their chosen interests can assist them in job searching. In January, students will begin the Substance Abuse and Prevention Unit.

First graders wearing their listening ears

Fourth graders making their play-doh creations

RSD IS LOOKING FOR

MS Special Ed Teacher ●

Special Ed Van Driver ●

Sub Bus Drivers ●

Visit www.rsdwi.org or call the
District Office at 920-326-2427
for more information

Please remember to check your child for the following symptoms everyday before they get on the bus or come to school:

If experiencing 1 or more symptoms with a () or two other symptoms, students should stay home.*

- | | | |
|--|--|--|
| <input type="checkbox"/> Fever (100.4 or higher) or Chills | <input type="checkbox"/> Headache | <input type="checkbox"/> Vomiting |
| <input type="checkbox"/> *New loss of taste or smell | <input type="checkbox"/> Sore Throat | <input type="checkbox"/> Diarrhea |
| <input type="checkbox"/> *New cough | <input type="checkbox"/> Nausea | <input type="checkbox"/> Congestion/runny nose |
| <input type="checkbox"/> Muscle or body aches | <input type="checkbox"/> *Shortness of breath / difficulty breathing | <input type="checkbox"/> Fatigue |

RSD wants to remind students, staff, and families what it means to be considered fully vaccinated:

Everyone 5-17 years are recommended to receive a primary series of 2 doses of the Pfizer COVID-19 vaccine, followed by a booster if applicable.

People 18 and older are recommended to receive a primary series consisting of 2 doses of an mRNA COVID vaccine (Pfizer or Moderna) or a single-dose COVID-19 vaccine (Johnson & Johnson’s Janssen vaccine) followed by a booster, if applicable.

Please use the chart below to see when you and/or your child are recommended to receive a booster to be considered up to date:

| IF YOU RECEIVED: | Who should get a booster: | When to get a booster: | Which booster can you get: |
|------------------------------|---|---|--|
| Pfizer – BioNTech | <ul style="list-style-type: none"> Adults 12 years and older | <ul style="list-style-type: none"> At least 5 months after completing your primary COVID-19 vaccination series | <ul style="list-style-type: none"> Pfizer-BioNTech or Moderna (mRNA COVID-19 vaccines) are preferred in most* situations Teens ages 12-17 years old may only get a Pfizer-BioNTech COVID-19 vaccine booster |
| Moderna | <ul style="list-style-type: none"> Adults 18 years and older | <ul style="list-style-type: none"> At least 6 months after completing your primary COVID-19 vaccination series | <ul style="list-style-type: none"> Pfizer-BioNTech or Moderna (mRNA COVID-19 vaccines) are preferred in most* situations |
| Johnson & Johnson’s Janssen* | <ul style="list-style-type: none"> Adults 18 years and older | <ul style="list-style-type: none"> At least 2 months after receiving your J&J/Janssen COVID-19 vaccination | <ul style="list-style-type: none"> Pfizer-BioNTech or Moderna (mRNA COVID-19 vaccines) are preferred in most* situations |

For help locating a vaccination clinic please use this site: <https://www.vaccines.gov/search/>
 For more information about being fully vaccinated please visit: [Staying up to date on your vaccines](#)

RANDOLPH SCHOOL DISTRICT

We can make a difference in your child's education, and we are delighted that you are considering Randolph School District for your family's education. We understand the greatness of this decision for the most precious people in your life; your children.

Randolph prides itself in providing a high-quality education and co-curricular programming for children in grade PK-12. From our high scores on the Wisconsin School Report Card to our continued successes in State and National FFA to our history of athletic excellence, all speak volumes about the pride and culture of our school district and community.

Our Wisconsin School Report Card score has consistently placed us as one of the top-performing school districts in the area. The Randolph students, staff, and administrative team have worked very hard to provide post-secondary readiness, close achievement gaps, and grow our future generation. Call now for a tour to come see for yourself!

Ty Breitlow, District Administrator
Randolph School District
110 Meadowood Drive
Randolph, WI 53956
(920) 326-2427
www.rsdwi.org

Open Enrollment
February 7 - April 29, 2022
For more information and application materials:
<https://dpi.wi.gov/open-enrollment>

Friday, February 4, 2022

The Randolph School District will be conducting a screening for preschool children living in the Randolph School District who will be three or four years old on or before September 1, 2022. The screening will take place at the Randolph Elementary School, located at 110 Meadowood Drive on Friday, February 4, 2022. Please park on the south end of the building, near the basketball courts/baseball diamond and enter through the elementary entrance door #11. A letter will be sent out in January to parents of all four-year-old children with a scheduled screening appointment. Parents of three-year-old children are welcome to schedule an appointment (not required, but encouraged) by contacting the elementary office at (920) 326-2431.

The purpose of the screening is to identify any health-related problems that could interfere with success in school. The screening can also identify developmental delays that could impact adjustment to the school setting. Studies have found that helping children at an early age produces the best outcomes for children and their families versus waiting until the child enters school. Recommendations and referrals will be provided to parents as needed.

Parents, please bring your child's birth certificate (required for identification), address verification (i.e. utility bill, rental agreement, cell phone bill with name & address), baby book, and completed immunization record (or immunization record printed from the Wisconsin Immunization Registry website). Parents should return the Ages & Stages Questionnaire and Child Development Review sheets by Monday, January 24th in the envelope provided. After completion of the screening process, you will receive the results. Should you have a conflict with the schedule or have any questions, please contact the elementary school office at (920) 326-2431. If there is a delayed start or a snow day, the district will contact you to reschedule the screening.

If you are a parent of a child who will be three or four years old on or before September 1, 2022, and have not received information, please contact the Randolph Elementary School office at (920) 326-2431. Nonresident families planning to open enroll their 4-year-old in Randolph Elementary School for the 2022-2023 school year should contact their "resident" district to schedule preschool screening.

ELK LODGE

NATIONAL HOOP SHOOT CONTEST

Beaver Dam Elk's Lodge #1540
Contest Winners
(12/11/21)

First Place Winners:

Vince R.
Ariah P.
Teagan I.
Jenna B.
Lexie Z.
Cade J.

Every year the Elk Lodges around the United States conduct a national free throw shooting contest called "Hoop Shoot".

Hoop Shoot is open to all boys and girls ages 8-13 years.

Hoop Shoot competition begins at the local level, in the schools or sometimes even in neighborhood driveways. Students have an opportunity to advance through the local level all the way to the national competition. The Randolph elementary and middle school students competed at the entry level during their Physical Education classes. The results and advancements are listed to the left.

Congrats to all 6 students on their outstanding performances. Good Luck to them as they advance to the level that will be held in Beaver Dam on January 15, 2022.

(L to R: Vince R., Lexie Z., Jenna B., Cade J., Teagan I., Ariah P.)

COMING SOON

Randolph Elementary School

Randolph Elementary will be hosting a Talent show on Thursday, March 3, 2022 for the public and the elementary student population at 2:00 and 6:30 p.m. in the RSD cafeteria. This will be a great opportunity for students to show off their talents.

"Tryout" forms have been sent home and are due February 1st.

NOW OFFERING SLUSHIES FOR 5TH GRADERS

We have an exciting new offer for our 5th grade students! Starting this January, 5th graders will be able to purchase slushies during their Friday lunch period. These are not your average convenience store slushies. Our slushies are made from 100% juice concentrates with no added sugar. An 8 ounce slushie actually equals two servings of fruit!

Slushies are \$1.50 for an 8 ounce serving, and students must have money in their accounts to purchase the slushies. You may send checks made out to Randolph School District or cash to the Elementary School office where it will be added to your student's lunch account. In addition, you may also add money to your student's account via E-Funds.

We are starting out this offer for Fridays only, but will consider adding more days depending on student and parent feedback.

Please reach out if you have any questions.
Sara Flitter, RD
Food Service Director
920-326-2425 x1112

R-E-S-O-L-V-E

RANDOLPH ELEMENTARY STUDENTS OFFERING LOVE & VOLUNTEER EFFORTS

In November 2021, students volunteered to "RESOLVE" to fight leukemia and lymphoma in support of fellow student, Liam Sanborn. On December 10, 2021 our students celebrated their efforts with a dedication assembly to Liam. Liam & his dad were able to attend virtually and his mother and Ms. Shannon Ratchman (Campaign Manager, Light the Night for the Leukemia & Lymphoma Society) attended the event in person.

Seeing Liam on the big screen during his virtual visit at the assembly was the pinnacle of our celebration! It was so exciting to talk to him and be able to share our efforts with his family and LLS in his honor.

A plaque commemorating the 2021-22 RESOLVE event in honor of Liam Sanborn hangs on the wall outside of the elementary office. A reminder of Liam's fight and the power of volunteerism.

40 YEARS of History:

| YEAR: | | RECIPIENT(S): | \$ RAISED: |
|--------------------------|---------|--|---------------------|
| 37 | 2018-19 | Global = National Fallen Firefighters Foundation Local = Randolph Fire Department Dedication = Wayne & Linda Vanderploeg | \$9,212.07 |
| 38 | 2019-20 | Global & Local = Patriot K9s of Wisconsin | \$10,136.97 |
| 39 | 2020-21 | Global & Local = Fanconi Anemia Research Fund Dedication = Brett & Michael Johnson | \$2,735.00 |
| 40 | 2021-22 | Global and Local = Leukemia & Lymphoma Society Dedication = Liam Sanborn | \$9,099.83 |
| R-E-S-O-L-V-E Total | | | \$31,183.87 |
| 36 Year JRFH & HFH Total | | | \$258,955.99 |
| GRAND Total | | | \$290,139.86 |

Top Collectors in the 2021-22 RESOLVE event are pictured above:

VIPs:

- Lexi Z.: \$1,111
- Abigail S.: \$2,100

Honorable Mention:

- Brooklyn D.: \$300
- Cooper H.: \$320
- Bryelle H.: \$370

Pictured to the right are the student volunteers that raised money for RESOLVE. They show their wristbands and love for Liam while surrounding Liam's mom and Ms. Ratchman (LLS). These students raised a total of \$9,099.83!

The Sanborns surprised ALL of our students with a thank you... cupcakes! It was a big hit. Ms. Ratchman from the LLS provided for a pizza party for the class that raised the most money. Congratulations goes to 6A (\$2,621.00). Also, congratulations to Mrs. Schumacher's kindergarten class who earned an extra PE class for having the highest participation rate (43%).

There was so much to celebrate, but top of the list is the celebration of Liam in his recovery.

THANK YOU TO:

- The Sanborn family and Ms. Ratchman (LLS), for sharing their story and supporting our event.
- The Randolph community, staff, & students who went above and beyond in this fundraising event.

I hope you will all join us for next year's endeavor (TBD).

CONCERTS AND CAROLING

In December, elementary students did some beautiful singing. They brought smiles to many and helped get us ready for the holiday season!

For up-to-date sports schedules, click this link or visit:
