

Richard Stiemsma Memorial Scholarship

1 - \$250

I. GENERAL

- The Richard Stiemsma Memorial Scholarship was established in 2016 following Rick's death from colon and liver cancer. He had been involved in coaching basketball for over 20 years. Starting with Randolph Boys club, the AAU program and then with the Randolph High School girls program. He loved coaching and working with the students. Due to the overwhelming community support and friends and family, his family is honored to give away this scholarship in his name.

II. CRITERIA FOR SELECTION

- This scholarship is open to any senior female planning on attending a post-secondary school.
- This senior female must have participated in the Girls Basketball program for all four years of high school. This would include players, assistants, dance squad and/or managers.
- **An essay on the following questions must be attached to the application.** Write a short explanation of your future plans. How are you going to give back to the community that is giving you resources to further your education? What types of commitments have you already done to better the surrounding community where you live and why does that make you an ideal candidate?

III. SELECTION OF RECIPIENT

The Stiemsma family will review all applications for this scholarship and select the most fitting candidate based on the above criteria.

IV. PAYMENT

Payment shall be made following proof of completion of first semester and registration for second semester. Evidence of registration and enrollment must be made to the Randolph High School Office. Should the recipient of the award choose not to enroll the first semester of the academic year immediately following High School graduation, the scholarship shall be forfeited and awarded to the alternate.
